

# KnowledgeQuest Learning Center

## 2011 SUMMER CAMPS & PROGRAMS

### ELEMENTARY

**Playing with Numbers Grades 1-2**

Games reinforce the foundation for number sense, numeration, inequalities, and equivalents.

**Time & Money Grades 2-3rd**

Gives hands-on experiences with challenging time & money concepts. Includes problem solving, games, manipulatives, & practice.

**Just The Facts Grades 1-2 & 3-5**

Build confidence and retention with a balanced approach to addition and subtraction facts or multiplication & division facts.

**Vocabulary-Ventures**

A different approach to playing with words. Antonyms, Synonyms, Homonyms, Word Ladders, Prefixes, Suffixes, & Roots.

### MIDDLE SCHOOL

**Fraction Frenzy Grade 5-7**

Dispel math fear and learn to conquer fractions.

**Math Bridges 5-8`th**

Maintain and strengthen pre-algebra skills: integers, fractions, proportions, percents and algebraic reasoning.

**Response to Literature**

Learn the ins and outs of analyzing fiction in a series of engaging writing activities.

### HIGH SCHOOL

**Pre-Geometry**

Prepare for Geometry: review basic vocabulary, area, perimeter, circumference, angles, polyhedrons and more.

**Algebra 2 Refresher**

Review algebra foundation skills: equations, inequalities, graphing, factoring, parabolas, polynomials and fractions.
